

“Is there a place for my talents and abilities?”

No matter what your skills or passions may be, there's a place for your skill set to help serve and love our community—one of the 15 different teams is sure to be a perfect fit. Find which ones(s) fit you best. Our Compassion Clinic will require up to 300 volunteers to have maximum impact, so we need your help!

Visit our Compassion Caldwell web site for up to the minute info and serving opportunities. Registering is simple and pain free!

“Who's behind this?”

Compassion Connect (a non-profit agency out of Portland, OR) works to facilitate compassion clinics all over the northwest. They are invaluable in assisting LoveCaldwell with organization, medical and dental equipment for our servers use, and follow through. We are thankful for their guidance and support.

“You can't really do this for nothing, can you?”

No, of course not. We count on the generosity of Caldwell area churches for their support—as well as individual citizens and other civic organizations and corporations—because together we can do greater things than we can separately.

If you would like to assist with a financial gift (as each guest served costs \$32 to sponsor), go to the CompassionCaldwell.org website and find the “Sponsor A Guest” link. Or direct your gift the conventional way to:

LoveCaldwell, Inc.
3320 S. Montana Avenue
Caldwell, ID 83605

Sign up to volunteer or give — any time on line!

www.compassioncaldwell.org

Your tax-deductible charitable gift made on-line will be receipted by Compassion Connect of Portland, OR; gifts received through the mail will be receipted by a local Caldwell church as LoveCaldwell, Inc.'s 501(c)3 application has been recently submitted for IRS approval.

COMPASSION
CALDWELL

A Compassion Clinic is a church-led medical, dental and support initiative offered free of charge for our local community. This is a practical way for people to demonstrate the love, unity and good-will of our city.

We welcome the uninsured and under-insured citizens of Caldwell to take part in Compassion Caldwell, where we will provide the following:

Basic Medical Exams · Basic Dental Cleaning and Emergency Treatment
Basic Eye Exams · Social Service Fair · Children's Activities · Free Haircuts
Complimentary Lunch and Snacks · Other Services

CALDWELL COMPASSION CLINIC

Saturday, October 25, 2014

CANYON SPRINGS HIGH SCHOOL - 516 N. 11th Street
8:00am - 3:00pm

DO GOOD. LOVE CALDWELL.

What is a Compassion Clinic?

A Compassion Clinic is a grass-roots, church and community-led medical, dental and support initiative offered free of charge for our local community. This is a practical way to leverage our combined talents and abilities to demonstrate the love, care and unity present in our city.

Does this interest you? Are you looking for a place to serve your city?

Because we're looking for leaders and people who can serve on the following service teams:

Appreciations Team

As we serve our neighbors, it is important to serve our volunteers as well. This team exists to make sure those who served feel valued and appreciated for their service.

Children's Ministry

The children's ministry team provides a safe place for kids to be kids. Staffed with caring, high-quality volunteers, this team leads children to experience activities they will want to share with their whole family.

Connections

This team will most pointedly display the full vision and value of the clinic through caring customer service. This team will connect with guests by building the foundation of trust, listening, and hope that will lead to long-term, Christ-centered relationships.

Dental

The dental team pulls together dentists, hygienists, assistants, and equipment necessary to meet the guests' basic dental care needs as determined by the leaders.

Equipment Management

The equipment management team is those who serve by setting up rooms with tables and chairs, hauling medical equipment, and keeping the grounds clean. People who enjoy working behind the scenes will love being a part of this team.

Financial Team

Although this is a free clinic to the guests, it requires financial investment on the part of those executing the Compassion Clinic. This team is perfect for those who have experience with budgeting and fundraising.

Food

The clinic starts early in the morning and finishes late in the afternoon. Part of taking care of the guests, as well as volunteers, is to make sure that everyone is well fed so they can be energized throughout the day.

Hospitality

These volunteers are challenged with the responsibility of overwhelming our guests with love and creating a warm and safe environment.

Interpreters

The interpreters team provides the dental, medical and social services teams with interpreters who show kindness and compassion to those served. They are a thread between cultures and stitch the community together.

Medical

The clinic gives medical professionals the chance to use their skills in a ministry setting to bless those who are under-insured.

Parking and Safety

The parking and security team is the first impressions team. Their primary goal is to welcome the guest with a friendly greeting and helpful direction. In many ways, this team sets the tone for every other experience the guest will receive.

Prayer Team

The prayer team provides consistent prayer support in order to insure that Compassion Clinics are a work of the Spirit of God which will bring glory and honor to Jesus Christ and compassion to people. This team will ensure the work goes beyond human touch to the supernatural.

Public Relations

They passionately represent the efforts of hundreds of people. This team is perfect for those who are creative, connected to the community, and enjoy getting others excited about events.

Shuttle Service

The shuttle service team assembles a team of vans and drivers that will transport guests. In doing so, they build relationships that make those who attend Compassion Clinics feel like they are the most special people on earth - at least for the next few miles.

Social Services

This team turns a waiting room into an enjoyable and educational experience. This team is perfect for those who are familiar with social services in their community and know what would be helpful for our guests.
