### **Scholarship Policy**

Reduced fees are available to families based on specific eligibility criteria. Inquire at the front counter for more information. Proof of eligibility (Free or Reduced Lunch Form from School District) is required before we can process the membership or reduce the program fee. Scholarships are not given for fees already paid. For families and youth needing financial assistance with program fees, we offer the following:

- If the child is on the free lunch program at school, all Fee Based Programs are reduced in half and must be paid up front. If the child is on the reduced lunch program at school, all Fee Based Programs are reduced by  $\frac{1}{4}$  and must be paid up front. The ColorTyme Scholarship doesn't pay for any fee based programs.

We encourage members not to bring items of value to the Club. We also encourage members to take responsibility for all of their personal belongings. The Boys & Girls Club and staff are not responsible for lost or stolen items.
