Grandparents and Relatives as Parents Support Group

GREAT GAB GATHERING!

It has been a long time since we just got together and visited and learned from each other.

I have spoke with many of you who just want to come and meet other Grandparents/Relatives as Parents. You said you want to learn from their experiences, and pick each others brains.

Here's your chance. Let the brain pick'n begin!

I will also have the latest Comfort of Home Grand-Parenting Newsletter with great information on: toddlers, fighting fevers in children, gun safety and the danger of leaving children in a hot car!

Come get your copy! Hope to see all of you!
